Subject: RE: Newton affordable housing

Thanks for this

They have passed a list of potential sites to us which we will need to take to the planner to check if they are eligible.

The sites the planners say are ok we will mark up on a map and post on your board (also circulating by email as you suggested).

I will chase up the architect today to see if he has been able to contact the planner for a meeting date.

I am hopeful this can happen for the 16th July
